

# XVI<sup>TH</sup> ALL-SOKOL SLET 2018

Prague, Czech Republic  
1 – 7 July, 2018

## Invitation to the XVI<sup>th</sup>All-Sokol Slet 2018 in Prague

*Dear sisters and brothers,*

*Although we are from many countries, we have so much in common that binds us together – a positive relationship to an active way of life, exercise and sport, and our shared commitment to values such as democracy, humanism and fair play principles in sport. And because friends should meet up, I am pleased to hereby invite you – personally and on behalf of the Czech Sokol Organization – to this great celebration of sport, culture and community, the XVI<sup>th</sup> All-Sokol Slet, which is taking place in Prague from 1 to 6 July 2018.*

*All-Sokol Slets have a long tradition stretching across three centuries – the first All-Sokol Slet took place in 1882 on the 20<sup>th</sup> anniversary of Sokol's establishment – and it has continued to the present day despite adverse historical periods such as the two world wars and totalitarian regimes. After the 2<sup>nd</sup> world war in the times of non-freedom the Headquarters of Czechoslovak Sokol abroad has been keeping the tradition of Sokol Slets and has organized seven All-Sokol Slets until 1990. All-Sokol Slets have secured this long life not just through the will to continue the tradition, but especially through their modern content which has always corresponded to the interests and needs of the generations which have taken part.*

*All-Sokol Slets are not “just” a show of mass gymnastics performances (which are often imposing), with various cultural and social events, sports contests and shows, stage performances and a number of educational events also taking place. 2018 will be no different, with the XVI<sup>th</sup> All-Sokol Slet part of the celebrations of the 100<sup>th</sup> anniversary of the end of the Great (i.e. First World) War, to be commemorated across the world. The All-Sokol Slet also has a less formal role, providing the opportunity to meet informally and form new friendships.*

*Every All-Sokol Slet also includes the involvement of international guests – both active participants in gymnastics and sports performances, and also guests and spectators. Representatives of three continents – Europe, America and Australia – have taken part in recent All-Sokol Slets. Their performances have always provided great enrichment to the Slet programme. It would give us enormous pleasure if you could come to Prague and help us maintain this tradition.*

*I look forward, along with the whole Czech Sokol Organization, to being able to welcome you in July 2018 to the heart of Europe and the XVI<sup>th</sup> All-Sokol Slet in Prague, to which you are warmly invited.*

## Czech Sokol

Sokol is a unique organisation not just within the Czech Republic, but also from a global perspective – both in terms of its long history and the breadth of its mutually complementary and overlapping activities. Sokol (means Falcon in English) is the oldest gymnastics organisation in the Czech Republic and also one of the oldest sports organisations still operating in Europe and the world. Sokol was established in 1862 and soon expanded across the world –further Units were set up within the Czech lands along the model of the first Sokol organisation, Prague Sokol, and an umbrella organisation was later formed – the Czech Sokol Organization (Česká obec sokolská in Czech language). Sokol organisations were established across the world along the model of Czech Sokol, mainly in Europe but also in the United States of America, and eventually in Australia and Africa.

From its beginnings, Sokol's mission has been to promote all-round physical and mental development – in the spirit of Ancient Greek kalos kagathos – thus elevating the whole of society.

Since it was founded, Sokol has had a large impact on the Czech nation's patriotism; its programme has included the fight against nationalist oppression and it has promoted the principles of democracy and humanism.

Over its history, Sokol has also generated material and other assets which have served to meet not just the objectives of programme of Sokol itself, but also the needs of the whole of Czech, or Czechoslovak, society. Sokol has built hundreds of Sokolovna gyms, renovated Michna Palace, and was involved in building Strahov stadium. In the intellectual sphere, it has been involved in education, publishing and cultural activities, built cinemas, etc.

Organisationally, Sokol comprises Sokol Units which are associated within Sokol districts. Its headquarters is the Czech Sokol Organization (Česká obec sokolská – ČOS). Sokol organisations provide an extensive recreational programme. They facilitate increased physical fitness through gymnastics and sports activities of a general and particular nature, as well as participation in the cultural and social life of Sokol Units. It is all this together which is typical for Sokol.

The Sokol programme is open and accessible to new ideas. It offers a modern programme attractive to the contemporary generation – the Czech Sokol Organization currently includes over 1150 SokolUnits, and has around 160 000 members representing all age categories. Members can pursue their interests in three basic fields – in sport for all, in performance and top-level sport, and also in the cultural and social sphere.

Sokol versatile training (sokolská všestrannost in Czech language) has always been open to everyone. It develops your mobility – speed, strength, dexterity and endurance, it teaches you to win and lose, not to give up if you fail, not to be afraid. You will find people from every generation doing versatile training, who are not striving to give a high-level sports performance, but are rather training for general fitness, health, pleasure, experience.

Top Sokol athletes have represented the country at large international competitions and at the Olympic Games. Sokol Units discover and nurture young talent. The Czech Sokol Organization records 2000 Sokol Units of various performance levels within roughly ninety sports fields.

In line with the need for harmonic development of the body and mind, Sokol also undertakes cultural and educational activities. There are almost two hundred amateur dramatic, puppet, folk and music ensembles and choirs which keep national traditions alive and develop creativity, and help to nurture a cultural and social life even in small towns and villages. Sokol cultural activities also include exhibitions and talks.

The Czech Sokol Organization's Central School secures the training and further professional development of voluntary trainers, coaches, instructors and other volunteers.

# Travelling and Transportation

## Travelling to the Czech Republic

The Czech Republic is one of the main transit points in Europe. The largest airport in the Czech Republic is the Václav Havel Airport in Prague, formerly called Ruzyně and renamed after the Czech president in 2012. The airport is situated on the outskirts of Prague, but the connection with the centre is very good. There are number of regular-fare buses to take you to the centre of Prague (main train station) within 30 minutes or to various metro stations, such as Nádraží Veleslavín or Zličín. Tickets are included in the participant fee.

Other international airports are located in Brno, Ostrava, Pardubice and Karlovy Vary. The Czech Republic is also easily accessible from the airports of neighbouring nations, such as Vienna (AT), Dresden (GR), Wrocław (PL) and Bratislava (SK).

*Prague is easily accessible*

# Travelling in Prague

Prague has an excellent public transport system consisting of subways, trams and buses. There are 3 subway lines: A (green), B (yellow) and C (red). Tickets for public transport in Prague are included in the participant fee.
